Mr. Micah Chambers
Senior Legislative Assistant
Office of Senator Kevin Cramer
Dirksen Senate Office Building, B40C
Washington, DC 20515

Dear Mr. Chambers,

I am pleased to invite you to attend the MIT Seminar for Senior Congressional Staff on "Energy Options and Economic Opportunities for Decarbonization," which will be held on the MIT campus from Wednesday, April 24, through Friday, April 26, 2019. (The agenda is attached.) To allow for open, candid conversation and questions, invitations are being extended only to senior Republican Congressional staff who work on a variety of energy-related policy areas.

MIT faculty and other experts will present on a range of energy technologies and topics, including nuclear energy, fusion, the electric grid, and the implications of energy choices for economic development, national security, and the environment. To enhance discussions, our faculty will lead lab tours of some of the cutting-edge energy technology research currently under way at MIT. The seminar is sponsored by MIT's Policy Lab at the Center for International Studies (PL@CIS) through a grant from the ClearPath, Inc, a 501(c)(3) charitable organization.

The number of attendees will be limited to encourage intensive interaction among participants, MIT faculty, and guests from industry and academia. We are able to reimburse the cost of travel and hotel accommodations. We are carefully following House and Senate Ethics Committee requirements and will provide you with all the necessary forms.

The organizers of this seminar include Kerry Emanuel, the Cecil and Ida Green Professor of Atmospheric Science; Dennis Whyte, the Hitachi America Professor and Head of the Department of Nuclear Science and Engineering; and Robert Armstrong, Chevron Professor of Chemical Engineering and Director of the MIT Energy Initiative.

If you would like to attend, please reply no later than Monday, March 18, at <https://form.jotform.com/90415634198158>, and your attendance will be confirmed by Wednesday, March 20. This will allow sufficient time for filing the necessary paperwork with your Ethics Committee by March 22. Spaces are limited, so early application is strongly suggested. Helen Haislmaier in the MIT Washington Office will be happy to answer any questions, and she can be reached at 202 789 1828 or at helenh@mit.edu

SELECT COMMITTEE ON ETHICS

April 23, 2019

Micah Chambers
Office of Senator Kevin Cramer
United States Senate
Washington, DC 20510

Dear Mr. Chambers:

This responds to your recent correspondence concerning an invitation you received to travel to the *2019 Senior Congressional Staff Seminar*, in Cambridge, Massachusetts, on April 24-26, 2019, sponsored by Massachusetts Institute of Technology and ClearPath, Inc. (collectively, the Sponsors). The Sponsors certified to the Select Committee on Ethics (the Committee) that they will pay the *necessary expenses*¹ related to the travel and that they are neither lobbyists, nor lobbying firms, nor agents of a foreign principal, and they are not otherwise acting as representatives or agents of a foreign government. However, the Sponsors have certified that they are organizations designated under § 501(c)(3) of the Internal Revenue Code² that retain or employ a registered lobbyist and that no registered lobbyist or agent of a foreign principal will accompany you at *any point throughout your trip*.³

Based on information and materials available to the Committee, and assuming the **actual** travel and travel-related expenses conform to the information and materials you provided, it appears that the proposed payment or reimbursement of necessary expenses for this trip **may be accepted** under relevant Senate Rules and the Committee's *Regulations and Guidelines for Privately-Sponsored Travel*, so long as at the time of the payment or reimbursement, the Sponsors are neither registered lobbyists nor lobbying firms under the Lobbying Disclosure Act of 1995, nor agents of a foreign principal under the Foreign Agents Registration Act (and are not otherwise acting as representatives or agents of a foreign government), and provided the travel and all required documents are disclosed to the Secretary of the Senate in accordance with the provisions of Senate Rules 34 and 35.

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the
